

[March 2017 Business Creation Index](#)

The new Business Creation Index (BCI) was created to monitor local economic conditions from the perspective of NAR's commercial members. The quarterly report offers insight from commercial real estate professionals into whether businesses are opening or closing by industry, population density, and subregion. On a monthly basis, it tracks three key questions related to local market conditions: An increase of ...[Read more.](#)

[Q1 Market Trends Report from Xceligent](#)

(Milwaukee, WI) - The CARW/Xceligent first quarter numbers show that 2017 is off to a strong start for all sectors. Most vacancy and absorption numbers suggest that the rest of 2017 will also be positive for the southeastern Wisconsin commercial real estate market. The Milwaukee office market continues to show improvement reflected not only in positive net absorption, but also ...[Read more.](#)
