

Smart Growth features are important factors in communities

If you were deciding today where to live, how important are each of the following?

[Community Preference Survey – A Look at How our Peer Cities View Community and Transportation Preferences](#)

The NAR conducts this survey every two years and covers the 50 largest metropolitan statistical areas of the community representing 57% of the population. While answers in 2017, to most of the questions showed slight change from 2015, responses offered insights into the increasing value people place on a walkable lifestyle. A few take-aways: Six out of 10 people ...[Read more.](#)

[REALTOR Continuing Education Begins in January](#)

The Wisconsin Department of Safety and Professional Services requires all real estate licensees to complete 18 hours of continuing education during each two-year licensing period (biennium) in order to renew your license. This is accomplished by completing six 3-hour classes included in the current biennium's curriculum and passing the exams for each class. The biennium concludes December 2018. CARW and WRA offer affordable class and online options to satisfy your licensing continuing education credits. ... [Find out more.](#)

[CARW Members got an exclusive look at Downtown Milwaukee Storefronts](#)

Milwaukee Downtown, BID #21 with support from CARW, proudly presented a networking event in one of Downtown Milwaukee's prominent storefronts on December 7. Located in the historic Iron Block Building, at the intersection of Wisconsin Avenue and Water Street, the retail space is positioned at one of

downtown's busiest intersections. The location is one of four featured storefronts, as part of Milwaukee Downtown's ...[Read more.](#)
