[NAR - Industry Trends: Top Ten Issues Affecting Real Estate 2016-2017](#)

The Changing Global Economy GDP growth has been revised downward for much of the globe, as economic uncertainties continue. Currency issues and soft energy prices have added to volatility. Politics and conflict undermine stability, leading to the potential for deceleration, weakening exports and softening investment in real estate and other assets. The U.S. should remain highly attractive for global capital inflows-even ... [Read more.](#)
