

[Small Cap Commercial Markets' Momentum Slows in Third Quarter of 2017 | NAR Commercial](#)

Posted in Commercial & Investment Real Estate, Economic Updates, Uncategorized, by George Ratiu, Director, Quantitative and Commercial Research on November 15, 2017 Commercial sales transactions span the price spectrum, but tend to be measured and reported based on size. Commercial real estate (CRE) deals at the higher end—\$2.5 million and above—comprise a large share of investment sales. Smaller commercial

transactions ...[Read more.](#)

[2018 Commercial Real Estate Insights Revealed - CARW/BizTimes Survey](#)

On November 17, as part of the BizTimes Commercial Real Estate Conference at the Italian Community Center, CARW presented the annual "CARW Member Survey". Members gave their take on the current and future real estate market as well as opinions on the Foxconn investment, Streetcar, and sales tax for the convention center. The event panel focused on the ongoing development

[CARW Joins Panel on Bucks Arena and Surrounding Development](#)

The Milwaukee Press Club brought together experts to explore the inside story on what's happening now with the new Milwaukee Bucks arena and the surrounding area. On Nov. 16, 2017, a room full of 100 guests heard from those involved in the big project about what is next, along with how the new arena will impact the bars and restaurants ...[Read more.](#)

[Downtown Milwaukee Storefronts to get a Facelift for Holidays - You Can Take a Sneak Peek Dec. 4](#)

Milwaukee Downtown, BID #21 with support from CARW, proudly present a networking event in one of Downtown Milwaukee's prominent storefronts. Located in the historic Iron Block Building, at the intersection of Wisconsin Avenue and Water Street, the retail space is positioned at one of downtown's busiest intersections. The location is one of four featured storefronts, as part of

Milwaukee Downtown's ...[Read more.](#)

[RPAC Update | 2018 Race for Governor](#)

By: Joe Murray November 09, 2017 Now that Gov. Scott Walker signed the 2017-19 state budget into law, he can turn his full-time attention to the reelection campaign between now and November 2018. For Walker, his 2017-19 state budget provides him with four major campaign issues that he believes will help him capture a third four-year term next year. For the growing ...[Read more.](#)
