

CARW Exchange login instructions – If You Have Never Logged Into the System:

In your browser, go to w <https://carw.com/wisconsincommercialdataexchange/>

Click on the link that says Researched by [REDIComps | Powered by Catylist](#)

You will be directed to the Catylist login page:

Step 1: Under Username Enter the email used for Member Access

Step 2: Click on “Forgot Password” under the login boxes.

Step 3: Enter your email address to request password help

Step 4: Return to your email inbox and await an email from: help@catylist.com

Make note of the username provided in the 3rd line of the email reading “Your username is:”

Step 5: Click on the link provided to reset password

Step 6: Type and retype password in reset boxes

Step 7: Click on the line “login with your new password”

Step 8: You may be directed straight into the platform or asked to enter your username and password.

Congratulations – you’re in the new CARW Exchange powered by REDI/Catylist!

Admin / Support login: We are in the process of providing credentials for Admin and Support. **Send request to Jon Holm at jon@redicomps.com AND Chris Allen at chris@redicomps.com**

LISTINGS: CARW understands the inconvenience of needing to fill out the spreadsheet for broker listings. For both legal and ease of loading your data this method has been determined to be the most efficient way to build the market.

Researchers have already been hired to verify listings provided the REDI/Catylist effort to build listings into the database will proceed as expediently as possible.
