

**Wisconsin Economic
Development Association**

**400 + members including:
banks, corporations, utilities, developers,
engineers, municipalities, counties and
community/economic professionals**

Statewide Network of Stakeholders

Thousands of economic development partners

Advocacy

- 2021-2022 Legislative Agenda
 - Broadband Expansion
 - Support Local and Regional EDO Grants
 - Talent Attraction
 - Preserve Manufacturing and Ag. Tax Credit
 - TID/TIF
 - New Affordable Workforce Housing (Heroes Housing)

CRA Network was established by Wisconsin Economic Development Association (WEDA) to connect organizations seeking financing for development projects with financial institutions and other potential funders.

The matchmaking program, staffed by experienced economic developers who understand project financing offers an additional avenue to generate capital to help make key community development projects a reality.
