

University of Wisconsin-Milwaukee
Sheldon B. Lubar College of Business
**Teaching Professor (open rank) /
Director of Real Estate Program**

The Sheldon B. Lubar College of Business at the University of Wisconsin-Milwaukee invites applications for a Teaching Professor (Assistant, Associate, no-prefix) who will also serve as the Director of the Real Estate Program to begin in August 2023. Candidate to be appointed at the level of teaching professor, assistant, or associate commensurate with qualifications and experience. This is a 12-month position.

The primary responsibilities in this position will be to teach three (3) course load per semester (fall and Spring) and one course load in summer in Real Estate at the Lubar College of Business. Additionally, the selected candidate will contribute to the mission of Lubar College by serving as the Director of the Real Estate program. In this role, the individual selected is expected to enhance and maintain the curriculum of the real estate certificate, plan future program offerings in real estate, grow enrollment in the real estate certificate, engage with employers, as well as mentor, and advise students. The person selected is expected to provide service to the Finance Area, College, and University, and maintain professional qualifications by engaging in practice.

The qualified candidate will possess a Bachelor's Degree. Required qualifications also include experience in teaching courses in real estate or related field, and industry experience in real estate. Preferred qualifications include practical experience in the field of real estate, and excellent verbal and written communication skills as evidenced in teaching evaluations.

The University of Wisconsin-Milwaukee is the flagship urban campus of the University of Wisconsin System and committed to academic excellence with enrollment of approximately 25,000 students. One of the nation's top research universities (R-1 status), the Lubar College is a metropolitan business school of national distinction, accredited by the AACSB, and offers BBA, MBA, Executive MBA, MS, and Ph.D. degree programs. Additionally, our MBA and undergraduate programs are ranked regionally and nationally for excellence and the Lubar College hosts one of only five SAP University Competence Centers worldwide. With doctorates from some of the country's leading universities, full-time faculty bring an impressive range of expertise and are recognized for outstanding achievement in their fields with broad experience in business organizations and governmental bodies. Opportunities for research are abundant in this vibrant metropolitan area with both a strong presence of manufacturing and service operations. Located in Southeastern Wisconsin's commercial and industrial hub, Milwaukee is the third-ranked manufacturing center in the United States and home to 1300+ manufacturing firms and 400+ engineering firms with annual receipts of 24 billion dollars. Milwaukee is a vibrant and diverse area on the shores of Lake Michigan with easy access to beaches, a thriving cultural scene, championship sporting events, an expansive urban parks system, and hundreds of miles of bike lanes and paths. It is in the seventh most affordable metropolitan market in the country and offers a vibrant quality of life in a globally competitive region.

Candidates seeking consideration must apply online at <https://jobs.uwm.edu/postings/37055> and forward application materials electronically to include: cover letter; curriculum vitae, and teaching evaluations with a list of courses taught. Also submit a list of three (3) professional references including a direct supervisor within the past five years, with postal addresses, email, and telephone numbers. The application deadline is June 11, 2023. For additional information, please contact the Search Committee Chair, Dr. Ioannis (Yianni) Floros at ivfloros@uwm.edu.

The University of Wisconsin-Milwaukee is an AA/EEO employer committed to increasing diversity in recruitment and retention and advancing our University as an inclusive campus. Under Wisconsin's open records law, request for confidentiality will be honored, except that the names and titles of all finalists must be disclosed upon request. All finalists for this position will require a criminal records review consistent with the Wisconsin Fair Employment Act.
